Think hip-hop is dead? Well, get ready world, Fedel is back with I LIVE, the follow up to his critically acclaimed, Mixtape of the Year nominated [Growing Pains](#). The renowned Tulsa emcee previously heard on Holy Hip Hop: Taking the Gospel to the Streets V3, DJ D-Lite Heatwave series, and [Dre](#) Murray's "Manumit" album, presents his debut album to be released on 11/18/08.

"This album was birthed out of the many struggles I faced from an adolescent to a young adult." Fedel says, "There's nothing like fighting for your sanity; fighting through confusion, brokenness, depression, physical and mental abuse. This album symbolizes not giving up that fight." I LIVE is a transparent look at a preacher's kid that is the product of a broken home, yet still has a desire to reach out to the everyday person to encourage them to overcome like he did. "The message I want to bring is that Jesus loves you and He is good, so therefore, I LIVE."

Packed with amazing production from the likes Firstborn, Tony Stone, and O-Boi, as well as features from K-Nine, Cam, Dre Murray and Sean Johnson, I LIVE will include the hit single, "Walk it like I'm Changed" and the bass-heavy anthem "Tell a Friend." "Tell a Friend" was voted number 1 on Tulsa 105.3 KJAMS, recognized by [Ozone magazine](#), and also featured on [DJ Lace](#) Positive mixtape volume 4. With certified car bangers, and thought provoking rhymes, I LIVE is set to breath life back into the game.
